Amendments to the Claims

This listing of claims will replace all prior versions and listings of the claims in this application:

Listing of the Claims:

11. (Currently amended)   A method of language translation system during a testimonial proceeding, the method comprising:

receiving <u>from a court reporter representations of words spoken in a first language during a testimonial proceeding;</u>

<u>inputting</u> into a transcription system, in real time, the representations of words spoken [in a first language during a testimonial proceeding], <u>without requiring confirmation of said representations;</u>

converting, in real time, said representations to text in the first language;

translating, in real-time, the text in the first language to text in a second language; and

communicating the text in the second language to a terminal for real-time display.
